-  **EXTREME**
To the point of overflow
-  **EFFORTLESS**
Easy and natural
-  **DELIBERATE**
Willful and conscious
-  **STRESS**
Erratic and tense

Client and Colleagues

This tool maps the relationship between your coaching client and a specific person with whom they interact.

You can use this to understand why there may be conflict, or why people get along so well (common strengths). You can look at where they need to be as a team, and whom they could enlist to work even better.

1st Dynamic: **Explore**

Estimated Person is **Effortless**

The Estimated Person has balanced energy to create, brainstorm and consider future possibilities.

Bethany is **Effortless**

She has balanced energy to create, brainstorm and consider future possibilities.

2nd Dynamic: **Excite**
